### **Work of notice**

Tableware for restaurant Frantzén (Stockholm, Sweden 2017)  
Commission for The Gothenburg Botanical Garden (Gothenburg, Sweden 2008)

*Stefan Andersson tillhör den unga generation keramiker som ser intressanta utmaningar i de traditionella bruksföremålen. Hans våldrejade, vedbrända keramik bär på referenser till Östasiens keramiska arv såväl som till den europeiska modernismen. En känslomässig hängivenhet och en uttrycksmässig pregnans präglar hans arbete, som redan väckt internationellt intresse.*
