Tableware for restaurant Zén (Singapore, 2018)

Commission for The Gothenburg Botanical Garden (Gothenburg, Sweden 2008)

Stefan Andersson tillhör den unga generation keramik som ser intressanta utmaningar i de traditionella bruksföremålen. Hans välrejade, vedbrända keramik bär på referenser till Östasiens keramiska arv såväl som till den europeiska modernismen. En känslomässig hängivenhet och en uttrycksmässig pregnans präglar hans arbete, som redan väckt internationellt intresse.

– Love Jönsson /Konsthantverkets vännar 2015
